**VAST CROWD HEARS IKE PLEAD FOR GOP VICTORY**—Here's part of the crowd of an estimated 18,000 persons who packed Hollywood Bowl, Los Angeles, Calif. last night to hear President Eisenhower lash out against the Democrats and ask for Republican victories in the November Congressional elections. Searchlights stationed behind the shell pierce the night sky as the President, bathed in the glare of television and newsreel floodlights, speaks.

## U.N. To Debate Atom Pool Plan

Russia Okays Putting U.S. Idea On Agenda

UNITED NATIONS, N.Y. (AP)—The United States put a priority tag on the Eisenhower atom-for-peace plan today as the U.N. General Assembly met to add the question to its work program.

An American source said the U.S. delegation would ask the Assembly's 60-nation Political Committee early next week to make the plan its first order of business. The source described it as a natural to open the committee debates, beginning probably the middle of next week.

The Assembly assigns questions to the committees, but each committee determines its own order of business.

Discussion of the plan got a surprising assist yesterday from the Soviets. Russia's Andrei Vishinsky not only insisted in the Steering Committee that the atom item go on the Assembly agenda, but called for a unanimous vote in recommending its consideration.

### Denies Rejecting Pool

Vishinsky denied U.S. statements that the Soviet Union had rejected the atom pool plan, proposed by President Eisenhower last December in a speech to the U.N. Vishinsky said the Kremlin wished to resume talks on the idea.

U.S. Secretary of State Dulles presented a further four-point study and training plan to the Assembly Thursday, which emphasized atomic power techniques and methods of fighting cancer. He said the United States and other countries would develop the program even if Russia refused to cooperate.

Vishinsky, hinting at a tack he may take in committee debates, said the atom pool idea would not solve the question of atomic weapons. He called again for a ban on the use of mass destruction weapons but gave no indication whether the Soviet Union would insist on such a ban as a prior condition to joining the U.S.-sponsored pool.

## Chiang's Planes, Navy Hit China

TAIPEH, Formosa (AP)—Chiang Kai-shek's navy and air force teamed up today for the 23rd consecutive day of attacks on the Red China coast opposite Formosa, the Defense Ministry announced.

A communiqué reported only sporadic gunfire between Chinese Nationalist batteries on Quemoy and Red batteries on the mainland seven miles away.

A military spokesman here said today the 30,000 man Quemoy garrison is far better prepared now to meet attack than when the fighting started Sept. 3.

Nationalist China's ambassador to Washington, Wellington Koo, predicted there yesterday that the Reds will make a serious attempt to seize Quemoy and other Nationalist islands lying off the China coast.

Koo said the test may come "at any time."

## Ike Says He'll Remove 'Union-Busting' Planks From Taft-Hartley Law

LOS ANGELES (AP)—President Eisenhower promised anew today that his administration will remove "union-busting" provisions from the Taft-Hartley law and he will give sympathetic consideration to all organized labor's views.

Eisenhower received a politely warm reception from delegates at the American Federation of Labor's annual convention and was interrupted a half dozen times by applause.

The president left immediately after his speech to return to his vacation headquarters at Denver. While conceding that his administration has so far failed to carry out its pledge to change the Taft-Hartley labor law, Eisenhower said "a solid Democratic vote in the senate" had been responsible for defeating his amendment proposals.

**Views No 'Sacrosanct'**  
Eisenhower said he realized the A. F. of L., which supported Democratic nominee Adlai Stevenson against him in the 1952 presidential election, disagreed with him on certain policies but he continues to feel friendly toward the working man.

"Now, there is nothing sacrosanct about any views that I hold, and I have never so stated," the president said. "So I just want to say this, the views of this convention will be studied, and thoroughly and sympathetically considered, just as will the views of every other great group of Americans."

After Eisenhower finished speaking, delegates gave him a half-minute standing ovation. A. F. of L.

## One-Way Street Violators Arrested

Police, enforcing the recently-passed city ordinance naming 2nd and E. Pershing Streets one-way thoroughfares, arrested 31 motorists yesterday afternoon for traveling in the wrong direction on the streets.

Three other motorists were arrested for other traffic violations.

Robert Campbell, 30, 636 E. 3rd St., was arrested this morning and charged with driving while intoxicated after he failed to make a curve on N. Lincoln and crashed into a city light pole at 3:43 a.m., demolishing the pole and the front end of his car. He pleaded not guilty at a hearing before Mayor Dean B. Cramer this morning and was bound over to the grand jury on \$150 bond.

Two motorists were cited when police arrested at 12:50 this morning for racing side by side from a traffic signal at the intersection of W. State St. and Benton Road. Appearing before Mayor Cramer, the defendants, James Martin, 18, of Beloit and John W. Yates, 31, of Alliance, pleaded guilty to charges of reckless operation and were each fined \$15 and costs.

Police investigated an accident that occurred at the intersection of N. Ellsworth Ave. and Sugartree Alley at 5 p.m. yesterday when cars driven by June Thomas, 19, of North Jackson and John M. Bender, 37, of RD 3, Salem, collided.

Verdict Kept Deep Secret

## Censure Report Ready; Senate To Meet Nov. 8

WASHINGTON (AP)—A special Senate investigating committee took elaborate precautions today to guard the secrecy of its 60,000-word verdict on censure charges against Sen. McCarthy. A few details about the general

makeup of the report came to light, but the key question was still under wraps: Do the unanimous findings declare for or against the controversial Wisconsin Republican?

Senate leaders yesterday shelved plans for a politically explosive pre-election Senate session on the censure move. They agreed instead to hold off the start of the session until Nov. 8, the week after the Nov. 2 nationwide congressional elections.

**Brings Political Sparring**  
This decision promptly set off some political sparring, with Republicans generally hailing it and Democrats declaring they are ready to bring the censure issue to a showdown vote right now, if that were possible.

The date was fixed as the investigating committee, headed by Sen. Watkins (R-Utah), completed what Watkins announced was a unanimous report of findings on a censure resolution by Sen. Flanders (R-Vt) and 46 supporting charges.

The charges were fired at McCarthy (D-Ark) and Morse (Ind-Ore). They accused him of misconduct including contempt of the Senate, hurrying fellow senators, abusing an Army general and illegal use and solicitation of secret government documents.

Watkins and his five fellow committee members ordered the verdict made public Monday, but took extraordinary precautions meanwhile against any "leak as to its contents."

Watkins said no committee member has retained a copy of the report. No copy has been given to McCarthy or anyone else, and that he feels "very certain no member would give even a hint in advance to anyone about the nature of the finding."

**Clear Cut Decision**  
But he told a news conference it offers a basis for a clear cut decision which the Senate "could vote up or down. This would be the final effect of the entire report."

Another member, Sen. Case (R-SD), said he expects the report "will be regarded as one in which we have faced our responsibilities." Some things have been disclosed about the report—that half its estimated 60,000 words will detail the findings on 13 specific charges against McCarthy, grouped into five categories, on which the group held nine days of public hearings.

Qualified informants said the findings embrace an opening statement, a separate section stating a conclusion as to each of the five categories of charges, another section dealing with the other 33 charges on which no public hearings were held, and a summary or conclusion. The committee forbade disclosure as to whether the report makes specific recommendations.

Its other 30,000 words, the informants said, constitute a narrative summary of the evidence and testimony on which the report is based.

Announcing completion of the report, Watkins said it had been a painful task to have to investigate "a member of the Senate for whom we all had considerable affection."

## Sister Of 2-Headed Boy Dies Of Bonfire Burns

WASHINGTON, Ind. (AP)—Three-year-old Shirley Ann Hartley, sister of the two-headed boy whose birth last December created a worldwide sensation, suffered fatal burns in a bonfire at her parents' home yesterday.

The little girl suffered third degree burns over most of her body at the family home at Petersburg. She died in Daviess County Memorial Hospital here, the hospital in which the two-headed boy was born.

The boy, named Donald Ray and Daniel Kaye, died April 20 at the age of four months.

## Concert Association Sets Campaign Dinner For Monday

Preliminary work on the annual Northern Columbiana County Community Concert Association's membership drive, which will begin with a kickoff dinner Monday at 6:30

p.m. in the Masonic Temple, has been in progress with captains contacting workers about renewals this week.

The campaigns previously have been held in the spring with concert schedules announced just prior to the start of the fall season. This year, however, the campaign was changed to September and one concert was booked in the spring.

Mary Hunter's, "Musical Americana," described as a lively folk concert in dance and song, is scheduled for Wednesday, Oct. 13 and the campaign will determine what other talent will be available.

Outlining next week's activities was Walter B. Null II, association president; Mrs. Vesta King, vice president; Miss Carmen McNeil, secretary and Orein Naragon, treasurer and committee heads from Salem and participating communities.

The executive committee pointed out that memberships are available during the drive only, except to newcomers.

Four concert scheduled by the Alliance Concert Association also may be attended by the local association members. Memberships are required for children.

The Concert Association headquarters will be in the Chamber of Commerce rooms. Workers are reminded to keep in touch with headquarters and funds should be turned in daily.

## Audrey Hepburn Weds Mel Ferrer

LONDON (AP)—Paramount Pictures announced here today that film star Audrey Hepburn and actor Mel Ferrer were married today in Switzerland.

The announcement said the ceremony took place in a small chapel overlooking Lake Luzern and that the couple left immediately for Rome where Ferrer is working on a picture.

Miss Hepburn's mother, Baroness Ella Van Heeckeren, was present and the bride was given away by Sir Neville Bland, former British ambassador to the Netherlands.

Miss Hepburn and Ferrer recently appeared together in the Broadway hit "On Time." She won an Antoinette Perry award for her work in that show only two days after winning an Oscar as the star of the motion picture "Roman Holiday."

Paramount said Miss Hepburn, who went to Switzerland in July for a rest, would return to Hollywood next year to make another picture. The announcement said a small group of friends flew to Switzerland for the wedding, but it did not identify any of them.

## Official Hopeful Of Agreement By Nine Powers

Dulles, Adenauer, Eden Look To Joining Germany Into NATO

WASHINGTON (AP)—Secretary of State Dulles flies to London tonight for a crucial meeting with French Premier Mendes-France and other European leaders on prompt measures for rearming West Germany.

He is reported going with a slightly hopeful, yet highly cautious attitude about the chances of successful agreement at the nine-power conference opening Tuesday.

Dulles has no detailed plan of his own, associates said. But it is understood that—like British Foreign Secretary Eden and West German Chancellor Adenauer—he feels a solution should be found by tying West Germany into the North Atlantic Treaty Organization.

### French Decision Unknown

It is said that Dulles does not know whether, in the showdown, Mendes-France will go along with this kind of solution or will insist on delaying German entry into NATO.

The French premier has advanced a plan which, State Department officials say, is vague but apparently relies mainly on the 1948 Brussels pact as a safeguard against reborn German militarism.

Dulles' associates consider two unanswered questions of fundamental importance: 1. Is Mendes-France sincerely seeking a quick and workable solution to the German problem? Or, because of deep French fears of German rearmament, is he really intent on stalling off a decision indefinitely by engaging in prolonged negotiations?

2. If Mendes-France wants and joins in an agreed formula, will

## Aides To Ike Say Campaign Is On Schedule

DENVER (AP)—Does the new zip President Eisenhower have started putting into his campaign for a Republican Congress mean the GOP high command is worried about the outcome of the November elections?

Aides to the President here at the summer White House provide no clear cut yes or no answer.

They and Republican National Chairman Leonard Hall conceded in advance of the four-state political tour which Eisenhower completed yesterday that the party's candidates were "running scared."

But they also insist that doesn't mean they actually are fearful the Democrats will recapture control of Congress. They say its good psychology to run scared to avoid overconfidence.

Then why did Eisenhower start slugging for the first time during the campaign in his Los Angeles speech Thursday night after showing so much restraint for weeks?

The answer you get in talking to men around the President here is in two parts.

First, they say that with Congress as evenly divided politically as it is now that there naturally is some real concern that the Democrats may win control in November. They add, however, that the concern is by no means new and that, therefore, is not a major factor in the more vigorous fight Eisenhower has started to wage.

They say a more important reason for the step-up in the President's pace is in the second part to the answer—timing.

The entire campaign, Eisenhower associates say, was planned the way it has been going. An easy start, gradual gathering of steam, and then the climax in the weeks remaining before Nov. 2.

Inside Labor

By Victor Riesel

LOS ANGELES — Exactly one year and one million dollars ago the AFL ousted and declared war on the East Coast longshoremen — a dramatic, though futile war which finally involved the White House, several governors, the FBI and the police of a dozen cities.

Victor Riesel

Yet the word today at this AFL convention is that those ousted longshoremen not only have survived by the grace and money of John L. Lewis, but are now joining the Miners Union chief in declaring war on the AFL. This combine is now raiding the powerful Federation far inland on a front which reaches across the U.S. into Canada.

What Lewis' ultimate strategy is no one but John L. really knows. It is known, however, that he has set his 75th birthday, Feb. 12, 1955, as a deadline for developing a mass following far beyond the 500,000 mtn he now leads.

It is known here that he plans a huge diamond jubilee birthday celebration which will hail him as the great proletarian leader of America.

**LEWIS NEEDS** the mass following. It may be this which motivates him. Or he may simply want to needle further the AFL leaders he hates so much and who now have international prestige and sit in world councils.

Whatever the motivation, John L. is sufficiently on the move to stir some of the AFL giants into serious behind-the-scenes strategy conferences here, news of which has not seeped through to the floor of the AFL's 73rd annual convention at the Hotel Ambassador.

The men who met to counter Lewis' moves are Dave Beck of the farflung Teamsters Union, Maurice Hutcheson, of the Carpenters Brotherhood, Bill Maloney, of the Operating Engineers, and Pete Fasco, speaking for Joe Morechi of the Laborers Union. The 3 million members of these AFL unions are the sinews of American industry.

Their leaders never waste time. And they did take time away from deliberations on national politics and international affairs because Lewis' cold war was sending tempers shooting higher than the 90 degree heat.

**THESE AFL CHIEFS** were told, for example, that Lewis has just opened an organization office in San Francisco, on whose hills one would be hard put to find a coal pit. This office was opened last Friday, according to their information.

They were told by their field people that Lewis' special flying squads have as many as 15 organizers, each leading his own contingent in a particular area.

They were told that manpower is being offered John L. by the old International Longshoremen's Assn., whose president, Capt. William Bradley, was awaiting word from Lewis for a personal conference at which the waterfront men would officially announce their affiliation with the miners.

The AFL men were shown reports that Lewis is taking jobs and members away from the Carpen-

ters, the Plumbers, the Teamsters, the Laborers and the Electricians. These jobs are on auto freeways and on four construction projects in Pennsylvania, as well as some in Kentucky, Southern Ohio, and West Virginia. They were also told that Lewis was "quite busy in Canada."

**THE CARPENTERS** Union chief, Maurice Hutcheson, had reports which revealed that Lewis has lost little of his daring. Lewis is working a package deal. Through his banking connections he is financing employers — contractors — who are willing to hire his unemployed miners or are willing to sign up their workers with Lewis' catch-all District 50.

Lewis helps these businessmen through his political influence which is considerable even in states where there is no coal. That influence is powerful among congressmen ranging from New England right on out to the West Coast.

Then he moves in his crews. Many of these are unemployed strip mining gangs, which include skilled electricians, plumbers, carpenters and laborers. Lewis apparently has moved in enough of these crews to stir AFL leaders into counter-action as soon as they can get a "coordinator."

Soon the immovable force will meet the irresistible objective.

O'Neill attended beginner's Russian classes last night, given under the Glen Cove school board's adult education program.

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Jeannine Ann Marks Becomes Bride Of Kenneth Suggett

On their way to New York City are Kenneth Lee Suggett and his bride the former Jeannine Ann Marks who pledged their marriage vows in a double ring service Friday at 7:30 p.m. in the sanctuary of the First Friends Church.

Performing the ceremony uniting the daughter of Mr. and Mrs. Clyde Elmer Marks of S. Lincoln Ave. and the son of Mr. and Mrs. Norman Suggett of W. State St. was Rev. Harold Winn church pastor. Mr. Marks escorted his daughter to the altar down an

aisle marked with white satin bows. Palms ferns and flowers were arranged in the candlelighted chancel setting where Mrs. Winn sang "Oh Promise Me," "Because" and "The Lord's Prayer" to organ accompaniment by Jerry Renkenberger. Mr. Renkenberger heralded the bridal party with the traditional marches.

The bridegroom gave his bride the white lace-covered Bible she carried with white orchids and white satin streamers caught up in lover's knots with lily of the valley. Sparkling sequins and pearls were embroidered to the lace-over-satin calot which held her veil in place.

The bride's white gown of net and imported lace over satin was designed with lace bodice enhanced by a long scalloped neckline and long sleeves pointed at the wrists. Her skirt in panels of net and lace ended in a lace train.

Nile green and yellow were the prevailing colors of the gowns of the bride's attendants. As matron of honor Mrs. Paul Bush the bride's aunt appeared in a Nile green strapless costume styled with a double net skirt and encircling insertions of lace over satin. She wore a lace cape, mitts and a Nile green heart-shaped picture hat. Yellow pompons and roses were combined in her colonial bouquet.

Bridesmaids Miss Donna Jean Blender the bride's cousin and Mrs. James Harp sister of the bridegroom were gown in pale yellow and their ensembles copied that worn by the matron of honor except that bronze pompons were mixed with roses in their bouquets.

The flower girl Carolyn Ehrhart carried a basket of roses and carnations as complement to her white satin gown trimmed with Nile green. Her green picture hat was similar to that worn by Mrs. Bush.

Barry Lee Marks little brother of the bride was ring bearer. Best man was Charles Pyatt of Salem. Ushers were James Harp his brother-in-law and Clyde Marks Jr. brother of the bride.

Both mothers wore corsages of variegated roses with their costumes. Mrs. Marks chose a beige knit suit and used black accessories and Mrs. Suggett in navy used navy accessories.

The Nile green and white theme of the wedding was carried over into the reception with flowers arranged on a white cloth. A miniature bride figure topped the four-tier cake served to 208 guests from Canfield, Akron, Alliance, Homeworth, Youngstown, Lisbon, Salem and Latrobe and New Castle Pa.

Registering the guests were Miss Loretta Provost, Mrs. Dean Santee, Mrs. Paul Suggett and Miss Betty Dressell were hostesses.

Orchids from her bouquet were worn by Mrs. Suggett when she left with her husband for New York. With her powder blue suit she used navy accessories. When they return they will reside at 266 Jennings Ave.

# Blocked Punts Hurt Salem as Quakers Lose to Ravenna 33-20

## Score Knotted 13-13 At Half

### Ravens Score Quickly After Punts, Fumble

By LOWELL FLEISCHER  
With two blocked punts causing a lot of trouble, the Salem Quakers went down to defeat last night 33-20 at the hands of the Ravenna Ravens before a large crowd of football fans at the Ravenna Stadium.

The Ravens scored three of their touchdowns with only three plays each. The Ravenna squad went ahead in the second quarter 13-6 when Jack Alexander got away a bad punt and Raven left half Tom Burt went on to score two plays later.

After the Quakers had tied the score in the second quarter 13-13,

TENTATIVE 1934 ILLINOIS BACKFIELD.—Quarterback Em Lindbeck (right) talks with backfield teammates who are expected to be the heavy guns in the University of Illinois running attack this season. Left to right: Abe Woodson, halfback; fullback Mickey Bates; halfback J. C. Caroline and Lindbeck. Woodson, a swift sophomore, will be paired with Caroline, who led the nation in rushing as a sophomore last season.

Ravenna fullback Carl Reedy rushed in and blocked Alexander's attempted punt on the Salem 10 yard line and in two plays he was over with the Ravens third TD of the game.

After the kick in the third quarter Alexander returned the ball to the Salem 28, where after two Salem plays Captain Jim Beard fumbled and Burt recovered on the Quaker 31-yard line. Raven quarterback Vince DiGiralamo passed to Burt for 17 yards and another Ravenna touchdown. Several Salem tacklers were near Burt but just couldn't seem to bring him down.

Ravenna had a hard running backfield with Carl Reedy, Paul Mandalin, Tom Burt and Tony Troia all carrying the ball.

THE RAVENS were the first to score after a sustained drive in the first quarter. Reedy and Burt did most of the running for the victors during the drive which collected four first downs. Burt took the ball down to the Salem three-yard line on a pitchout. Reedy then took the ball over for Ravenna on a run through the right tackle slot.

The Quakers came right back to tie the score 6-6. Alexander, Beard and Dale Middeker ran the ball for the Quakers with Beard finally going over from six yards out. Alexander's extra point attempt was blocked.

When the Ravens scored in the second and third periods the Salem line was not stopping the Ravenna runners. Both the Quaker and Ravenna lines looked ragged during the contest. Many of the Raven tackles were made by the Ravenna Secondary.

After Ravenna had scored in the second frame the Quakers once again came back with Middeker taking the ball over from one yard out. Middeker had a nice run which took the ball from the Ravenna nine to the one yard line dragging a Raven tackler with him.

Alexander's kick was good which tied the score 13-13 at halftime.

WITH 8 MINUTES and 56 seconds left in the third quarter Reedy scored for Ravenna on a blocked Salem punt to put the Ravens ahead 20-13.

The Ravens held a 27-13 lead going into the last period after having scored again when Beard fumbled.

The Quakers dominated the early part of the fourth frame and gained steadily toward the Ravenna goal. Middeker passed to Beard for 25 yards for the biggest gain of the drive. John Todd carried the ball several times to pick up yardage and took the ball down to the Raven 10 - yard line. Quarterback Ray Hertel passed to Larry Stoffer in the end zone to for the last Salem TD.

After the kickoff the Ravens again launched a drive upfield with Reedy and Burt again doing most of the ball handling. Burt plunged through the Salem line on a 51-yard run to carry the ball over for the Raven's last score.

Salem recovered a Ravenna fumble in the closing minutes of the game and with Hertel attempting nine passes and competing two to Herb Haschen, the Quakers got up to the mid-field stripe when the gun sounded.

THE SALEM LINE wasn't coming through as it should and Ravenna runners were getting through the Quaker secondary. The Quakers just couldn't stop Reedy and Burt, two fast shifty runners. The Salem backs showed some nice running at times with Dale Middeker driving hard through the Raven line.

Captain Jim Beard and Jack Alexander did some good running for Salem as did John Todd while he was in.

Alexander led the Quaker backs

in picking up yardage with 87 yards in 16 tries at running the ball. Salem passed for a total of 92 yards with Hertel completing five and Middeker one. In the statistic department Salem outgained the Ravens on the ground and in the air. The Quakers had 12 first downs to eight for Ravenna.

The third quarter hurt the Quakers considerably when the Ravens scored twice during a three minute period. Both TD's came with Ravenna running only three plays. The Barretmen nipped the Ravenna eleven last season 14-7 on a long pass in the last two minutes. The Ravens were victorious 26-6 in their first contest last week with Bedford.

TONIGHT COACH Barrett will be looking for bench and reserve strength when the Quaker reserves meet the Goshen Union Varsity at 8 p.m. on the Sebring field. Goshen has defeated Salem for the past two years with shutouts. Assistant Coaches Karl Zellers and Vince Crawford will handle the reserves tonight.

Next week the Salem Varsity will return home to face the Youngstown South gridders at Reilly Field.

Meanwhile Coach Ben Barrett will put his charges through a stiff week of practice in preparation for the tilt.

FRIDAY'S STARS  
BATTING — Jack Littrell, Philadelphia Athletics, collected a double, two singles and a three-run homer in the A's 5-1 victory over New York.

PITCHING — Chuck Stobbs, Washington Senators, beat his former Boston teammates for the fourth time this season, giving up seven hits in a 1-0 shutout that ran 11 innings.

Elsewhere in the majors yesterday the Detroit Tigers whipped the pennant-winning Cleveland Indians 6-4. Philadelphia surprised the New York Yankees 5-1. Washington won twice at Boston, 1-0 in 11 innings and 6-4. Milwaukee finished out its protested game with Cincinnati and won 4-3, then defeated St. Louis 4-2 in the first three-team doubleheader in baseball history. Brooklyn

beat his old Boston mates for the fourth time this year as he went all the way in the 11-inning victory. Two 3-run Washington rallies pinned the seventh loss of the season on Mel Parnell in the nightcap. The double defeat dropped the Red Sox into a fourth-place tie with Detroit and left Washington only a game away from first division.

Gil Hodges hit a 3-run homer and Duke Snider hit over the fence with one aboard in Brooklyn's victory.

Don Liddle checked the Phils on five hits in the Giants' victory but Philadelphia jumped on windy McCall and George Spencer for four runs in the second inning of the second game on two singles, three walks and an error.

The new manager said he figures he can make the Orioles a first division contender next season. Dykes said the same thing at the start of the year. Marion was fired because he said the club looked like a seventh place team to him.

"If you could just put a couple of good hitters in the lineup you'd see quite a difference," Richards declared.

Baltimore and the White Sox, like the other 14 major league teams, were scheduled to end their seasons Sunday but the game was moved up to free the park for a football game.

Baltimore and the White Sox, like the other 14 major league teams, were scheduled to end their seasons Sunday but the game was moved up to free the park for a football game.

Elsewhere in the majors yesterday the Detroit Tigers whipped the pennant-winning Cleveland Indians 6-4. Philadelphia surprised the New York Yankees 5-1. Washington won twice at Boston, 1-0 in 11 innings and 6-4. Milwaukee finished out its protested game with Cincinnati and won 4-3, then defeated St. Louis 4-2 in the first three-team doubleheader in baseball history. Brooklyn

beat his old Boston mates for the fourth time this year as he went all the way in the 11-inning victory. Two 3-run Washington rallies pinned the seventh loss of the season on Mel Parnell in the nightcap. The double defeat dropped the Red Sox into a fourth-place tie with Detroit and left Washington only a game away from first division.

Gil Hodges hit a 3-run homer and Duke Snider hit over the fence with one aboard in Brooklyn's victory.

Don Liddle checked the Phils on five hits in the Giants' victory but Philadelphia jumped on windy McCall and George Spencer for four runs in the second inning of the second game on two singles, three walks and an error.

The new manager said he figures he can make the Orioles a first division contender next season. Dykes said the same thing at the start of the year. Marion was fired because he said the club looked like a seventh place team to him.

"If you could just put a couple of good hitters in the lineup you'd see quite a difference," Richards

# Detroit Trips Indians 6-4 To Delay Tribe Bid For 111th

CLEVELAND (AP) — Yesterday Bob Lemon didn't look at all like the 23-game winner he was but despite his lack-lustre performance, he appeared a cinch today to hurl the World Series opener for Cleveland against the New York Giants next Wednesday.

Lemon went the distance, losing 6-4 to Detroit, but he was whacked for 10 hits, including two homers and two doubles, and walked four batters to suffer his seventh loss of the season.

The strong-armed righthander blamed his shoddy performance on "too much rest," explaining he does his best pitching after a maximum of 4-days' rest. It had been a week since his last start.

"I can work best after 3 or 4 days' rest," he said, "but a longer layoff than that and I sometimes get wild. That was the trouble with me against Detroit."

"I was getting behind on the batters and had to come in with a good pitch. Even when I got them out, the ball wasn't going where I wanted it to. I'm not worrying, though. Outside of the lack of control, I felt fine."

Although Manager Al Lopez declined to commit himself on the opening pitcher, he indicated his choice would be Lemon when he

expressed concern over Early Wynn's sore toe. Wynn was scheduled to pitch against the Tigers yesterday but he was still limping following minor surgery for the removal of an ingrown toenail and Lopez thought it best to give him another day off.

The Tigers stopped a ninth-inning rally yesterday and prevented the Indians from setting a new American League record of 111 victories.

The Detroiters scored four runs in the first three innings off Lemon, who was handed his seventh loss.

Southpaw Ted Gray held the Tribe to two hits in eight innings, before he was relieved by Dick Marlowe and Al Aber.

Three walks and a sacrifice fly by George Strickland in the sixth provided the Tribe's first score.

Strickland started the ninth-inning rally with a homer. Bob Avila, batting for Lemon, walked and was forced by Al Smith. Hank Majeski singled, Larry Doby scored.

Smith on a single, and Al Rosen singled to tally Majeski. Southpaw Aber, replacing Marlowe on the mound, got two strikes on Vic Wertz and then snatched his soft line drive for the final out.

## Southern Cal Rips Pitt In Tough Battle

By ED CORRIGAN  
(Associated Press Sports Writer)

The big boys of college football donned the moleskins today and the potential No. 1 team in the country was put squarely on the spot.

The 1954 edition of Notre Dame, with a new coach—26-year-old Terry Brennan at the helm—trotted onto the South Bend Stadium before a full house of 57,000 against Texas, a team that already has one impressive victory in the bag.

The other top game in the country—Michigan State vs. Iowa—was the NCAA's TV game of the day at 3:15 p.m. EST. The Spartans, who also will be under the aegis of a new coach, Hugh Daugherty, are rated a slight favorite over Iowa.

Friday night, Southern California, one of the perennial Pacific Coast Conference powers, whipped Pitt, 27-7.

The once-mighty Panthers made a good fight of it. They held Southern Cal pointless for the first quarter then permitted a touchdown in the second quarter when sophomore Jon Arnett went two yards for the first score of the game.

But in the final minute of the quarter half back Henry Ford flipped 49 yards to Dick Scherer for the tying marker. The third quarter was scoreless but in the final session, Southern Cal's pent-up power unleashed itself in a 20-point spree. Arnett scored two more touchdowns on a 26-yard ramble and a 1-yard plunge. The other TD came on a 67-yard pass play.

The other major games of the night wound up in high scoring affairs. Richmond whopped Hampden-Sydney, 40-0; Miami, using its second team most of the way, overwhelmed Furman, 51-13; Denver, with second-string quarterback Rusty Fairly plunging for three touchdowns, stopped Drake, 33-13.

Most of the top powers faced the kind of opposition that could throw a monkey wrench into their gears today, even before they gained momentum.

Oklahoma, the top team in the first weekly Associated Press poll, had a date with troublesome Texas Christian, while other important games listed Penn State-Illinois, Missouri-Purdue, Mississippi-Kentucky, Florida-Georgia Tech, Duke-Pennsylvania, South Carolina-Army, Kansas State-Wyoming, Michigan-Washington and Stanford-Oregon.

Staubenville scored in the second and fourth periods. Their attempted extra point in the fourth period was wide.

## Potters Defeat Staubenville 14-13

The East Liverpool Potters won their second game of the season last night nipping the Staubenville Big Red 14-13.

The Potters scored in the first quarter on a 97-yard drive. Freshman back John Nott ran 31 yards for the longest Liverpool gain during the drive.

Nott went over for the Potters. The attempted extra point kick by Diddle was wide but the Big Red was caught off sides and Dorsey passed to Nott for the point on the Potters' second try.

Liverpool's other touchdown came in the fourth period when Jim Potts intercepted a Staubenville pass and scampered 58 yards. Potts took the ball over from one yard out after a 15-yard penalty against the Big Red put the ball down on the 1-yard stripe.

Staubenville scored in the second and fourth periods. Their attempted extra point in the fourth period was wide.

## Leetonia Whips Louisville 20-7

Bears Score Twice In Opening Quarter

The Leetonia Bears won their second game of the season last night, defeating the Louisville grid-ders 20-7 at Leetonia.

Coach Bob McNeas' charges scored first in the initial period on a 75 yard drive. Leroy Bell carried the ball over from 20 yards out and Tony Less added the extra point with a placement kick.

The Bears added another TD in the first frame when back Jack Sanders went over from 18 yards out. The score came after a 40 yard drive by Leetonia. Less missed the extra point.

Both teams went scoreless in the second and third quarters. Louisville scored first in the early part of the fourth period on a pass from quarterback Edwards to Howell. Edwards kicked for the extra point.

Leetonia scored their third TD of the game when they took over on their own 29 yard line and drove 71 yards to the goal. Ron Stecker went over from the five-yard stripe with Less booting the extra point.

The Bears travel to Austintown Fitch next week.

man rule of the game. In seven leagues, the last the National Basketball Assn., Mikan averaged more than 23 points per game. At his peak three and four years ago, he was hitting at a 25 plus average. His lifetime scoring output as a pro, 11,376 points, is more than 5,000 beyond any other player.

"I'm human, I want to quit at the peak of my career, while Mikan is still Mikan," the fabled "Big 99" said, adding:

"I don't see how anything could persuade me to change my mind." Laker officials, whose teams had won six championships in seven years with the impetus of Mikan's record scoring, were startled by the decision.

If Mikan is in earnest, it means the end of a career which more than any other, left an extraordinary personal imprint on the game.

From the years when he carried DePaul University to national championships in the early '40s, Mikan has raised the so-called "Big Goon" to respectability in basketball.

No mere human ever stopped his scoring spree, and it was left to such innovations as the 12-foot lane in pro ball to avoid continued one-

Joey Giardello Wins  
Decision Over Jones

PHILADELPHIA (AP)—Joey Giar-  
dello probably wishes he never  
heard of, let alone fought, the  
Jones boys even though he won  
decisions over both.

The Philadelphia, No. 1 rank-  
ing middleweight challenger, scored  
a unanimous decision over  
Ralph (Tiger) Jones at the Arena  
last night in a nationally televised  
10 rounder. But he looked rusty,  
unimpressive and certainly nothing  
like the young, hard-hitting 160-  
pounder he is reputed to be. Giar-  
dello beat Tiger's stablemate, Bob-  
by Jones, in a close one last spring.

he be able to get the French Assembly to back him up and ratify it?

The present crisis began three weeks ago when the French Assembly shelved a plan for a European Defense Community. The project would have pooled French and German military strength and controls in Europe, thereby giving France some power over Germany's future military development.

One major feature of the EDC plan which Dulles considered of vital importance was its provision for a supranational authority — a step toward unity among the free nations of Europe.

Dulles has now decided that, much as he would like to save this feature in any new plan, the urgent need to give Germany sovereignty and begin the formation of 12 German divisions must take priority over everything else.

Informants said that Dulles is prepared to use much patience in trying to get full French cooperation. He feels that any reasonable plan with French cooperation is far more desirable than some alternative arrangement reached over French objections. Yet his aides have recently spent almost half their working hours considering ways or rearming Germany without French cooperation, if that is finally decided on.

## Leetonia

## Mary Stokes Married To Greenford Man

LEETONIA — St. Patrick Catholic Church was the scene of a beautiful wedding when Miss Mary Jane Stokes, daughter of Mr. and Mrs. Lawrence Stokes Jr., became the bride of Harold Glen McLemore of Greenford, son of Mr. and Mrs. William F. McLemore of Athens, Ala. Saturday morning, Sept. 18. The double ring ceremony was performed by Father W. W. Maund.

White gladioli decorated the altar before which the marriage vows were exchanged. The bride was given in marriage by her father, Lawrence Stokes Jr. Music was played by Sister Marie DeLore.

A high collar emphasized the fitted bodice of the bride's white lace and tulle gown worn over satin. Lace panels added beauty to the waltz length skirt of swirling tulle. A finger tip veil and bouquet of baby mums with a white orchid in the center, completed the ensemble.

Mrs. Margaret Nester of Coraopolis, Pa., aunt of the bride, was matron of honor. Joyce Jean Stokes of Salem, niece of the bride, Barbara Stokes of Coraopolis, sister-in-law of the bride, and Emma Jean Norwood of Greenford, niece of the groom were the other attendants. They all carried colonial bouquets and baby mums. Their gowns were all ballerina length and made alike in contrasting colors.

**THE BRIDE'S** mother wore a navy blue dress with a corsage of pink roses. The groom's sister wore a silk print. Her corsage was of pink roses.

A reception was held for about 200 guests with a four tier wedding cake as the center piece. Guests were from Coraopolis and Swickley, Pa., Salem, Greenford, Elkton and Leetonia.

The bride is a graduate of Leetonia High School of the class of '54. The groom attended school at Athens, Ala.

The couple will make their home with the bride's brother in Coraopolis, upon their return from a honeymoon tour of the eastern states. For her going way outfit, the bride chose a grey suit with black accessories.

**WHEN THE LIGHTS** at the high school athletic field were checked early this week it was found the transformer on the east side of the field had been knocked out by lightning. The transformer was removed and repaired.

A crew from the Ohio Edison Co. re-installed the transformer Thursday.

Bleacher seats have been cleaned and repaired and temporary bleachers have been erected to replace the seating capacity lost when the concrete stadium was declared unsafe to use.

The annual school board and school employees dinner was held Wednesday evening in the school cafeteria. The dinner was prepared by the members of the cafeteria staff. Attorney Alfred Fitch of Salem was speaker for the occasion.

High School Principal W. W. Bailey was toastmaster and Joseph Justice gave the invocation. President of the school board, Charles Stelts, introduced the speaker. Some 70 persons affiliated with the local school attended.

Mrs. Dan Cavanaugh and children returned to their home in Los Angeles, after an extended visit

with her parents, Mr. and Mrs. Earl Chamberlain.

Mr. and Mrs. Charles P. Kennedy of Akron spent Sunday with Mr. and Mrs. Louis Arnold and Harry Neihiesel.

**CARL SHAFFER**, president of the local Fordes Corp., announced this week that the local plant is looking for a suitable building site near the railroad tracks here in Leetonia to allow officials to complete an expansion program now under consideration.

Mr. Shaffer explained that the plant has begun the manufacture of large pieces of machinery and equipment which will necessitate better shipping facilities.

A large drill press has recently been installed at the plant and company officials are currently negotiating for a larger boring mill and several larger lathes.

Mr. Shaffer stated attempts have been made to secure a suitable site along the railroad here, but to date their efforts have not met with success.

## 210 County Rural Educators Meet

"A child would be better off educationally attending a hotel with competent teachers than a palace with incompetent ones," 210 Columbiana County rural school educators were told Friday at Fairfield Centralized School.

Mrs. Dorothy Nelson, Mahoning County assistant school superintendent, spoke to the group on "How Good Is Your School?" at the annual teachers' workshop.

Mrs. Nelson emphasized three major educational points: The use of a community resources, public relations, and localizing the curriculum.

She said students should be given an intimate look at community problems and activities rather than limiting them to the classroom.

It's also unwise to teach subjects which don't relate to types of local industry, she declared.

One of the most popular of group discussions was a class on school discipline conducted by Dr. John Shambaugh of Hiram College.

British representatives said they would not attend debates on the issue. Britain maintains the question is an internal matter, outside the jurisdiction of the international organization. She says such a plebiscite might bring dangerous dissension.

## Taft-Hartley

Continued From Page One

"convinced everyone that in his heart he is for labor, but I believe there are things he wants to do but cannot do because of influences—political influences—that surround him."

Richard Gray, president of the powerful A. F. of L. building trades department and an Eisenhower supporter, praised the address.

On the economic situation, Eisenhower said he had listened in the past and would continue to listen to organized labor's proposals on what should be done "about meeting obvious soft spots in our economy."

"And there are such (soft spots)," the president said. "Any one would be idiotic to deny it."

Eisenhower said there are many things on which he and the A. F. of L. agree, one being "absolute opposition to communism in all its forms." And he said he didn't think the A. F. of L. wanted to return to high taxes, greater cost of government, or resumption of the Korean fighting.

The president received a hearty laugh from delegates when he reminded them that by tradition and history "You are completely and absolutely nonpolitical."

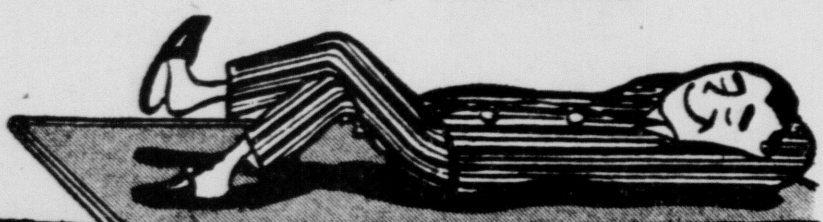

The president said two provisions he wants removed from the Taft-Hartley law are the present ban against strikers voting in National Labor Relations Board elections and the requirement that union leaders must file non-Communist affidavits for their unions to use the NLRB.

Eisenhower said he considered it un-American to require only union leaders to file such oaths.

Eisenhower said he might confine his recommendations to next year's Congress for Taft-Hartley changes to these two points if that is what it takes to redeem his campaign pledge.
